Newsletter 18th December 2024

Message from Mrs Anderson

We have come to the end of the term! I don't know about you, but it feels like 5 minutes ago that I was taking a photo of my on child in his new school uniform in September!

Christmas events:

This is always such a super time of year in school and 2024 did not disappoint! The Carol Service at Holy Trinity was really wonderful; our children sang beautifully and were respectful of the fact we were in people's place of worship. The Nativity performances were as lovely as always; I always find the sheer confidence of our youngest pupils staggering. Thank you to family members who have attended performance, provided costumes and to the adults in school for working so hard to put together our special performances.

Our DPP fundraising events went well and everyone seemed to have a good time! The Christmas Fayre, Film Night and Discos were all well attended and great fun. The children who participated in Wrapping Room also enjoyed selecting and wrapping gifts for their loved ones. We will let you know how much money was raised by these events.

Christmas Clobber Day, the same day we had our school Christmas Lunch, was also a triumph! The children all sat down together and thoroughly enjoyed pulling their crackers!

The children are having class parties this Friday so are invited to come into in non-uniform, wearing part clothes.

Fond farewells:

As you all know, the wonderful Mrs Thomas and Miss Jones are leaving school at the end of this week, to embark on new adventures and professional challenges. We celebrated their time at Dingle in a very special assembly this morning, complete with performances that the children (and staff!) had been rehearsing in secret for the last few weeks! It has been a joy to work with both of these super teachers and everyone at Dingle Community Primary wishes them all the best for the future- your new schools are incredibly lucky to have you joining them.

I also wanted to say goodbye to everyone ahead of my last day on Friday. Whilst I am excited to be moving on to my new school in January, I am also very emotional about it and am really going to miss being part of Team Dingle. It has been an absolute pleasure to be the Headteacher here for the last 6 years. I am incredibly proud of everything that has been achieved here and I am going to miss the children of our school dearly- they are confident, hilarious young people and I look forward to hearing about their successes at Dingle and beyond.

I wish you all a very merry Christmas and a wonderful start to 2025. Treasure all the precious moments with your children over the next couple of weeks. The children are back in school on Monday 6th January for the Spring term, to start a wonderful new year of learning.

Gemma Anderson (one very proud Headteacher- Dingle it has been a pleasure!)

E-Safety and new devices

As some children may well be receiving new devices over the festive period, I have uploaded some advice from internetmatters.org on keeping your children E-Safe. Technology is a brilliant thing but can also pose real dangers to our children when it is not used appropriately. Please look at the poster shared with this newsletter to help keep your children safe.

PE days in January will be:

Class D: Thursdays
Class I: Wednesdays
Class N: Tuesdays and Thursdays
Class G: Mondays and Fridays
Class L: Mondays
Class E: Wednesdays
Class S: Tuesdays and Fridays

Children should come to school wearing correct PE kit on their PE days.

Classes I and L will participate in Forest Schools next half term and will have received further information about what is needed for these sessions.

If children are late to school, after 8.45am

If children are brought to school after 8.45am, class doors will be closed and children must be brought to the main office.

Parents must sign the children in on the sign-in screen. This is for health and safety reasons, including fire regulations.

Thank you for your understanding on this.

Our new answer phone service

If you have called school recently you may have heard our brilliant Planet Captains and their new answer phone message. Please make sure that you listen to the full message and follow the instructions to ensure that we receive messages you may need to leave.

Financial support

As has been shared before, if any families are struggling financially, in the difficult current climate, I urge you to come and speak to school. Thanks to some funding received by school, we have supermarket vouchers that we can distribute which you could use as needed, whether it be for food or other essentials.

You should also have received a letter this week about support with school uniform. Please complete any requests by 10th January and contact the office if you have not received this letter.

Applications for Reception places, for September 2025

Please remember that the deadline for Reception applications is 15th January 2025. Applications must be made through Dudley Admissions.
