

Messages from the Dingle Parent Partnership!

The Dingle Parent Partnership is parents working together with Dingle Community Primary to organise fun events for our children and also raise funds to support school.

We are always in need of parental support with the organising and running of events. If this is something you are interested in or able to do, please contact school (phone or email) or come along to the coffee morning on 27th September!

We thought we would just share some information about some of the events coming up so that you can see how you can get involved.
